Tournament Playing Rules

GAME LENGTH:

All games will consist of (4) ten-minute quarters. The clock will stop on time outs and on all dead balls in the last 1 minute of the first half and the last 2 minutes of the second half. If there is a point differential of more than 20 points in the last two minutes of the second half, the clock will continue to run.

CHAMPIONSHIP GAME:

This is a double elimination tournament. If the representative from the winners' bracket loses in the championship game, there will be another game to determine the Champion.
